Good Ball Playing and Plenty of
Interest and Amusement—
All Scores Complete.

The ball tossers have had possession of the city the greater part of the week, and the interest, not only of the people of Oregon, but of many fans in many places, in the outcome of the tournament has been something more than an ephemeral concern. Though advertised but a comparatively short time, the Oregon base ball tournament had attracted widespread attention, and the attendance from a distance was beyond the anticipations of the management. Owing to the fact that the manager of the Rochester team was out of town and did not see Manager Anderson's letter in time, that club was unable to come, and their place was filled by the Akhurst-Eberly's, of St. Joseph.

The excitement opened with a game between Oregon and Block's Arcade.

The home team lined up with the favorite, Jimmy Nolan, in the box, Murray, of St. Joseph, at short, Street in right field, Bailey at second and the others in their accustomed places.

The game commenced at 10:35 with Oregon at bat. Veach went out from short to first, Midgeley hit safe as usual, Street did the Casey turn at the bat and Murray expired bravely at first from third. In their half the haberdashers got one run—Beebeau hit to Midgeley, who overthrew first. This let Beebeau to third and a wild pitch let him over the rubber. Uffelman and Kurth got bases on balls. Mitchell might have hit a soap bubble with a tennis racket, but he couldn't hit the ball. A double by Murray, Bailey and Veach retired the side. After this the tale of woe was one long line of strung goose eggs, which kept increasing as it went down the line. This won for the home team the prize of three boxes of cigars to the team giving its opponents five straight shut-outs. Score:
